Gameplay information is presented within the game itself. The following Microsoft-published Xbox game manuals are, however, available for free download. (For non-Microsoft games, contact the game publisher for information about manual availability.) Follow these links to download PDF versions of manuals and other support materials for these games.

### Xbox 360 game manuals - Xbox Live and Billing Support

Game Manuals : This section contains TXT and HTM formatted documents for old games. These files have mostly been created by users for other people to understand the games. Without these files many of the games have no instructions.

### Game Manuals - The Old Computer

Started in 1999, the goal of The Manual Project is to scan as many US video game manuals as

possible. Once scanned they are posted here so that everyone may read them. To date over 400 NES and SNES manuals have been scanned and posted, and the project is now expanded to include works from other sites.
