Harry Fenton on Hard-Starting Lycomings Originally, one of the folks on the Fly Baby mailing list mentioned his wife's Lycoming O-235-powered Fly Baby was hard to start (hand-propping) and asked about adding a second impulse mag. Harry didn't have the exact engine model to start with, so discussed the issue generically.

A fire engine (also known in some territories as a fire truck or fire appliance) is a vehicle designed primarily for firefighting operations. The terms "fire engine" and "fire truck" are often used interchangeably; however in some fire departments/fire services they refer to separate and specific types of vehicle.. The primary purposes of a fire engine include transporting firefighters to an ...
