The Adventure Sport models are versatile boats, designed to be an ideal alternative to their aluminum and fiberglass counterparts. Beyond portability and economy, the Sport Series boasts serious strength, maneuverability, and performance. With their lower center of gravity and high-strength floors, these boats are made to go the distance.

A Mercury-exclusive innovation for custom tuning and venting your propeller to match your engine. Just by varying the size of the exhaust hole and controlling your engine's rpm, you can eliminate sluggish performance or compensate for changes in load in altitude. And it's technology that you can only get with Mercury Propellers.
