Question: I need to know the formula for the area of a circle, But I only have the measurement for the circumference. I know that pi is 3.14 (and so on...). This was assigned today, and there isn't any formulas in my math textbook. Okay, here's the question, What is the area of a circle that has a

circumference of 25 cm? Answers: It would help if you give what you have (i.e., circumference).
