Rated 4 out of 5 by kathy2325 from nice range I had the range installed right before Thanksgiving and I have enjoyed the great features, especially the temp probe for roasting. My only concern, actually a great concern, is the quality of the oven racks. When using a cast iron dutch oven filled with spaghetti sauce and meatballs, the rack actually bowed and I was concerned that the pot would crash.

Rated 5 out of 5 by Ladoc from First new stove in 25 years. Glad I waited This was the first new stove I've bought since buying my home 25 years ago. My home came with built in appliances but when the time came to replace the gas range I did a lot of research, went to a lot of stores and finally decided on the Frigidaire FFGF305TS.
