But, not all of the books are just for teachers as some textbooks come with a student solution manual. These handy books are actually there to help you or another relative actually study the subject effectively. Novel idea, right? Whatever your subject, there is likely at least one solution manual out there for you to find.

### **Solution Manual: Books | eBay**

This manual has been in use for several semesters. I hope that it is now mostly accurate, but I'm sure it still contains er-rors and omissions. If you are a student and you do not understand a particular solution, contact your instructor; it may be that you are missing something, but it may also be that the solution is incorrect!
