This search function is designed to help you find the turbo part number when only the vehicle application is known. Please Note: Many different turbo models are fitted to similar applications, therefore care should be taken when using this method.

Parts Search - Turbo Number, Vehicle or Turbocharger ...

DESIGNED TO OUT LIVE THE LIFE OF THE ENGINE. A high performance speed control system results when a GAC actuator is installed on an engine and electronically connected to compatible GAC governing system components. The design baseline for GAC actuators incorporates fast responses, multi-voltage usage, and proven reliability to allow for more precise control.
