Other instances where "free of" sounds distinctly better to my ear than "free from" include these: It is free of the barren, sandy tracts, and great swamps, so common in the states of the south, and enjoys a richer soil and better climate than those of the north. This date will be as soon as Lake Erie is free of ice.

meaning - "Free of" vs. "Free from" - English Language ...

The word free is often encountered on the heels of the word for, and this combination sets some people's teeth on edge. The main objection to the phrase for free is that, in this instance, free functions as an adverb rather than a noun and therefore should not be in the intimate company of the preposition for.

The second sentence, with free from, sounds more natural to me, but both sentences are OK. Personally, I would use free from when speaking of political ties. For example: The United States declared their Independence from King George in 1776, but they weren't really free from England until the Treaty of Paris was signed in 1783. Some Puerto Ricans would like to be free from the United States.
