My TomTom Start model 1EX00 has lost the plot and will ...

My TomTom Start (1EX00) will not boot up, it is stuck on the start screen. I have used tomtom home and removed the application from the device and then downloaded and installed the replacement. I have tried backing up the contents of the storage, and doing a full fat32 format. I have run a chkdsk on the drive with both tick boxes and no errors.
