1.. IntroductionIn this paper, we conduct a comprehensive survey that describes the current practice of corporate finance. Perhaps the best-known field study in this area is John Lintner's (1956) path-breaking analysis of dividend policy. The results of that study are still quoted today and have deeply affected the way that dividend policy research is conducted.

English trust law concerns the creation and protection of asset funds, which are usually held by one party for another's benefit. Trusts were a creation of the English law of property and obligations, but also share a history with countries across the Commonwealth and the United States. Trusts developed when claimants in property disputes were dissatisfied with the common law courts and ...
