### **Basic tutorial for a Fostex VF160ex**

The vf160 did require a good amount of time in reading to understand how to operate. Since this was my first recorder, and my first try at recording. I think It was a lot to digest at once. I imagine a person who had prior experience recording would find it easier. The vf160 is very well made. All inputs and connections are solid.

### **User reviews: Fostex VF160 - Audiofanzine**

The manual is available online in French and is well done, it lacks some details which may be useful. nanmoins trs SOUNDS The fostex perfectly reproduces the sounds pramplifi (bote rhythms, synth or electric guitar). I have yet to find a good fit for the dock. OVERALL OPINION I use this unit for 1 year and a half and I do not regret it.
