Cordstrap composite strapping is a high quality, strong strapping system to strap products of any size, shape, and weight onto pallets or in bundles.

Cordstrap Composite Strapping Supplier in Australia

Exporters of military and dual-use goods are first and foremost business people, and sometimes have the habit of skipping over the crucial export compliance steps between making the sale and delivering the product to their buyer. Most often the results of this practice are slowed delivery schedules, government fines, and even restrictions on future exports.
