Forex profit Pro is a new trading system which is supposed to be able to take a \$100 account and turn it into \$1 million in less than three months. A claim like this is borderline ridiculous but I'm still going to take a look at the software. Today I'll be providing a review and letting the Forex robot nation community understand more about this new product.

Scam Case I own the automated version of the Forex Profit Pro. It trades exactly the same as the manual version, only it does it for you. The developer of the system is, without a doubt, a very experienced trader and is very responsive to its customers, and has worked very hard over the years to come up with a profitable trading system.
