I bought my 1992 Dodge Stealth R/T Twin Turbo in June 1997 to have as a second car. It had about 53,500 miles on it. The body was in less than average shape for a 5-year old car, even for one driven through four Colorado winters. Every panel had a scrape, chip, nick, or ding, but nothing major (except perhaps the rear bumper).

### **Stealth 316 - Modifications**

Avg. Dealer Rating: (160 reviews) "Car I made arrangement to buy 24hrs in advance was being sold to another customer right in front of me. Very disappointing feeling. I was promised by manager not to worry because they will work with me to find me same prize range but instead wanted to sell me a \$5000 more price range.
